

## BELLE GROVE 1797 WHISKEY

This corn whiskey/whisky starts out with a crisp sweetness that blossoms into more complex sugary profiles, reminiscent of roasted marshmallows and maple syrup. The malted barley helps round out those sweet tones with enough spice to leave the tongue tingly and searching for more, while the oats help create a velvety mouthfeel.

### A TASTE OF HISTORY

Inspired by Belle Grove's history of having a distillery integrated with its agricultural operations, we created this fine whiskey in the spirit of the the era. A mash bill of 56% corn, 32% unsmoked floor malted barley and 12% oats, this signature pot stillled whiskey is based upon the same Virginia grains and recipe used two centuries ago by Major Isaac Hite, Jr., founder and owner of Belle Grove Plantation.

We hope you enjoy drinking this whiskey as much as we enjoy making it.
