

DISTILLER'S ART SERIES BOURBON MASH

HAND CRAFTED

The third in our innovative “Distiller’s Art Series,” this clear spirit is bottled at barrel strength prior to aging and is hand crafted from 60% Virginia corn, 20% Virginia wheat and 20% Virginia barley, and the 20% barley in the mash bill is uniquely smoked with peachwood.

Unlike *neutral* grain spirits, which are distilled at 190 proof and above, our spirits are hand crafted and carefully distilled at just under 160 proof, utilizing a process which allows the complete essence and flavor of the barley grain to come through.

Note: This is not to be confused with moonshine, which typically utilizes short cuts and lowest cost production methods, sacrificing quality and craft.

A MARVELOUS FOUNDATION

Enjoy this Bourbon Mash as a foundation for creating marvelous cocktails; substituting it for many other spirits in your favorite recipes. In addition, we invite you to replicate the aging process at home in our new lightly charred American white oak barrels. The cask strength (124 proof) spirit is the best strength to optimize the reaction of spirit and wood.

Delicate peach-wood smoke gives way to a buttered corn nose. Hints of pepper and cinnamon set up the tongue for a silky sweet finish. Floral body leaves your mouth salivating for more.

Specs/case size: 62% ABV. Available in 750 mL, Case 12 x 750 mL.
