

## ORIGINAL AMERICAN SINGLE MALT

“Rich amber copper color, intriguing aromas and flavors of suede, olive tapenade, honey, dried fruit chutney and clay with a silky, dry-yet-fruity, medium-full body, and long, spicy, orange marmalade on rye toast and root beer float-like finish. Distinctively flavorful and a great choice for artisan cocktails or sipping.”

### WHISKY WITHOUT THE “E”

Rick Wasmund started Copper Fox in 2005, the first distillery in North America to build a malt floor and kiln since the repeal of Prohibition. We combine the best of the grand tradition with creative and unique innovations for aging and flavoring the grain. Made of 100% hand malted, Virginia barley, which we smoke with hand-cut apple and cherry wood. Aged in used bourbon barrels with the addition of apple and oak chips, the spirit is non-chill filtered to preserve the complete flavor and essence of the barley grain and is bottled at 96 proof. A decidedly young, rich, flavorful whisky that has no peer.
