ORIGINAL RYE

Copper color, vibrant aromas of clay, butter roasted chestnuts, pickling spices, and rye grain sacks with a silky, dry-yet-fruity, medium-to-full body and a honeyed rye toast, peppery spice, cola, fig, and mineral laden finish. A spot-on, wonderfully balanced rye whisky for all applications and occasions."

A TRULY UNIQUE RYE

Our rye is made of 2/3 Virginia rye, and 1/3 of our Thoroughbred Virginia barley, hand-malted and kiln-dried with applewood and cherrywood smoke. Having control over the malting process allows us to develop and maintain a connection to the grain throughout the entire production process. It is then double pot-stilled to between 150 and 160 proof and aged with a progressive series of hand-cut apple and oak chips inside used bourbon barrels. The spirit is non-chill filtered to preserve the complete flavor and essence of the barley grain and is bottled at 90 proof. Our innovative aging process results in a truly unique rye whisky that is savory and complex with the characteristic Copper Fox finish; a great crossover for Bourbon drinkers.
