

DISTILLER'S ART SERIES SINGLE MALT SPIRIT

HAND CRAFTED

The first born in our “Distiller’s Art Series,” this clear spirit is our Gold Medal award winning Copper Fox Single Malt Whisky, bottled at barrel strength prior to aging. Our spirit is hand crafted from 100% Thoroughbred barley developed and grown locally in Virginia, exclusively for Copper Fox Distillery.

Unlike *neutral* grain spirits, which are distilled at 190 proof and above, our spirits are hand crafted and carefully distilled at just under 160 proof, utilizing a process which allows the complete essence and flavor of the rye and barley grains to come through. The Distiller’s “Art” involves balancing the alcohol purity and the flavor elements from the source material—in our case, grain.

Note: This is not to be confused with moonshine, which typically utilizes short cuts and lowest cost production methods, sacrificing quality and craft.

A MARVELOUS FOUNDATION

Enjoy this Single Malt Spirit as a foundation for creating marvelous cocktails; substituting it for many other spirits in your favorite recipes. In addition, we invite you to replicate the aging process at home in our new lightly charred American white oak barrels. The cask strength (124 proof) spirit is the best strength to optimize the reaction of spirit and wood.

The first bite of a crisp, ripe apple with a hint of toasted almond. Silky finish somewhere between subtle vanilla and licorice fade. A tantalizing bouquet and surprisingly full flavored.
